here are the CA bills just introduced. I spoke with Joe G and he tells me the issue re: SWRCB losing authority to the new entity is dealt with in this language. Tom - can you check that out please? We obviously need to be sure and raise an issue now if there is one.

Joe also told me that a stakeholder workshop is scheduled for Wednesday afternoon at the Holiday Inn in Sacramento. (This was David Hayes' idea, and apparently he and Lester negotiated down from 3 workshops to just this one.) It'll be webcast and I'll send that link to our new friends in DC. Tom and I are both going to be on leave that day so I'll leave it to Carolyn and/or Bruce to at least watch it on the web.

Joe also said the engineers are leaning towards a 36 mile tunnel rather than the wide dirt canal.

Lastly, Leah Russin will be in CA at the end of August. i will try to get on her calendar.

Pre-printed versions of the five Delta bills that were referred to conference committee are attached and will be posted on the Assembly Water, Parks & Wildlife Committee website for review. The link is <http://www.assembly.ca.gov/acs/newcomframeset.asp?committee=26>

These drafts will be discussed at the joint informational hearing of the Assembly Water, Parks & Wildlife and

Senate Natural Resources & Water Committees on August 18, 2009. Hard copies of the pre-prints will also be available for pick up in the Capitol's Legislative bill room tomorrow (Wednesday). Please feel free to forward this information to others who may be interested.
